

BILL OF SALE, CONTRACT AND HEALTH GUARENTEE

The Buyer acknowledges to the best of my knowledge “as the breeder” this puppy will leave my house “the breeder” in good health. Buyer agrees to take the puppy to the Vet within 72 hours/ 3 work days of the purchase. If the Veterinarian discovers the puppy to be unsound, the buyer agrees to return the puppy to the breeder a soon as possible with a vet’s report. The breeder reserves the right to have the puppy reexamined by her vet, and agrees to replace the puppy with a new puppy of equal or lesser value as soon as one becomes available if the breeder agrees with the vet’s letter of examination. **NO MONEY WILL BE REFUNDED.**

Your puppy has been wormed at 2,4,6 and 8 weeks of age and received their first shots by 7 weeks of age. Your guarantee does not include the presence of any worms, coccidia, Giardia. This is not a life-threatening situation. Please keep you puppy off of unknown surfaces and away from other pets and provide clean water for them at all times to prevent this from happening. **PROTECT YOUR PUPPY!** At least until his/her second set of shots.

Your puppy is guaranteed until 1 year of age against genetic and fatal congenital defects. If medical attention is required within this period please make me aware.

Your puppy will be registered with AKC and microchipped (registered with AKC reunite) by me for the new owner. Your puppy will be examined by a veterinarian at 6 to 7 weeks of age and receive a health certificate.

Buyer agrees to contact the breeder if he/she is unable to keep this dog for any reason. He/she will not sell, give away AND will never be turned over to a pound/shelter/humane society as a means of disposal during his/her life without the breeder’s written permission. I the breeder will accept the dog no questions asked and find a suitable home for the dog. **NO MONEY REFUNDED. If not cared for properly the breeder has the right to take possession of the dog at any time and care for as seen fit.**

BUYER HAS AGREED THAT THE PUPPY WILL BE FED PROPERLY, EXERCISED, AND TREATED WITH UTMOST LOVE AND COMPANIONSHIP. THAT THE PUPPY WILL RECEIVE ALL INOCULATIONS AND BOOSTERS ON TIME AND KEPT UP TO DATE.
